Discount Rate

3% discount will be applied to current Property Tax and Business Tax if paid in full within thirty (30) days of the billing date, and that all arrears are paid in full.

Interest Rate

A simple interest rate of 1% per month will be charged on all unpaid arrears invoices that are not paid in full by their due date.

Interest Charges

The Town recognizes that, despite a person's best efforts, there may be occasions where, as a result of extraordinary circumstances beyond the person's control, the person may be prevented from making payments in a timely manner and therefore may incur interest. In such situations, the Town may consider it appropriate to exercise discretion in the application of interest. For this purpose, cancel means to remove interest charges that have already been charged and waive means to prevent future interest from being charged.

❖ Requests to cancel or waive interest

A person can request the cancellation or waiver of interest by writing to the Director of Financial Operations/Town Clerk or Supervisor of Assessment and Taxation. To support such a request, the following information is required:

- the name, address and account number of the person;
- the type and nature of the extraordinary circumstances that prevented the person from paying;
- supporting documentation such as death certificates, doctor's statements or insurance statements;
- in cases involving financial hardship, a meaningful payment arrangement;
