The 2021/2022 Happy Valley Goose Bay RCMP Annual Performance Plan has been set with final updates on assigned priorities and goals which help us focus on the above noted areas. The progress of this plan will be monitored throughout the year, but COVID restrictions continue to play a role in how these initiatives will progress.

**(1) Enhance Road Safety – Improve Road Safety Through Education and Enforcement**

Goals have been set for improved Traffic initiatives, with increased traffic enforcement and regular checkstops to help combat Impaired Driving. Members conducted Two Checkstops, utilizing Mandatory Alcohol Screening. One Impaired Driver was located and Charged using a Drug Recognition Expert. Members continue to conduct proactive vehicle stops for traffic safety issuing SOTs under the Highway Traffic Act when/where applicable. Members also conducted proactive Skidoo patrol with Municipal Enforcement checking trails in and around Town

**(2) Crime Reduction – Reduce Crimes against Persons/Property**

Goals have been set for proactive initiatives to help reduce crimes against persons and property. Detachment members will undertake to implement additional measures to monitor persons bound by court orders to ensure compliance. Due to the increase in crimes through social media/computers, members will be seeking opportunities to educate persons on crimes related to Fraud and Cybercrime. Detachment members have also been monitoring Persons bound by court imposed conditions. Members continue to conduct routine compliance checks ensuring persons are abiding.

**(3) Community Relations – Build and Maintain Positive Relations with our Community**

Detachment Commander will ensure there is regular contact and communication with Mayor and Council to ensure any issues are brought forward and plans made to address. Detachment Commander will also ensure regular contact is maintained with the HVGB C/Cst. Detachment members continue to try and increase contact with the local youth with regular contact/visits made to local schools.
