The 2023/2024 Happy Valley Goose Bay RCMP Annual Performance Plan has been set with final updates on assigned priorities and goals which help us focus on the above noted areas. The progress of this plan will be monitored throughout the year.

(1) Enhance Road Safety – Improve Road Safety Through Education and Enforcement

Goals have been set for improved Traffic initiatives, with increased traffic enforcement and regular checkstops to help combat Impaired Driving. Members will seek opportunities to conduct strategic checkpoints and partner with Traffic Services to combat Impaired Drivers and HTA Offences. Members will also be looking to conduct ATV Patrols during the summer and Skidoo Patrols during the Winter. One person was arrested for Impaired Operation and is facing charges of Impaired Operation and Driver Over 80.

(2) Crime Reduction – Reduce Crimes against Persons/Property

Goals have been set for proactive initiatives to help reduce crimes against persons and property. Detachment members will undertake to implement additional measures to monitor persons bound by court orders to ensure compliance. Regular compliance checks are conducted on persons bound by Court Imposed Conditions to ensure compliance and charges are pursued when persons are found in breach of those conditions.

(3) Community Relations – Build and Maintain Positive Relations with our Community

Detachment Commander will ensure there is regular contact and communication with Mayor and Council to ensure any issues are brought forward and plans made to address any identified issues. Members will also seek to further engage with the Community through partnerships and engagement in Community Events. Detachment members continue to try and increase contact with the local youth with regular contact/visits made to local schools. School Liaisons have been appointed to maintain contact with Local Schools.

******The APP is the main objective, outside of responding to calls for service, of the Detachment and helps direct members efforts each and every day.******
