161149- Gary Callhan Holdings Limited- The CPD Committee recommends that Council provide No Objection to Crown Lands application 161149 however, any future development on this land other than “Planted Grass” would be subject to the Town’s Stormwater Management Policy which is being developed and expected to be implemented later this year, as well as other requirements that may be stipulated under the Town’s Development Regulations. Councillor Rumbolt questioned if there were going to be any costs or other development that is not permitted. Mayor Andrews concluded with saying that this is a Crown Lands Problem.
