DIGGING PERMIT APPLICATION (Service Assessment)

A permit is required for any excavation of land, whether or not that excavation is associated with intended or actual construction. This application is for a review of the location of utilities, easements or rights-of-way that may be on the property. The application is also for any excavation which may affect the Town water/sewer system. **This is not a permit to undertake any excavation unless signed by designated Town staff at the bottom of the page.**

Complete the following information: Property Owner(print): _____

Phone: (home) _____, (business) _____, (cell) _____

Project location (civic address): _____, Contractor(if any): _____

Purpose of excavation: _____

Check one of the following: Digging only ,or, Digging plus Construction and/or Building.

Check this box if the excavation includes connection to or alteration of the Town water or sewer system.

REQUIRED: All applications must be accompanied by a site location plan showing the property boundaries and the area of excavation and construction/building (if any). That site plan must indicate any easements and right-of-ways shown on the survey of the property as well as those that the applicant is aware of.

	<input type="checkbox"/> WORKS AFFECTING -Water/sewer - The applicant is responsible to notify the Town and receive authorization prior to starting any excavation, and, prior to backfilling where the Town water/sewer lines are installed, connected to, or affected. If such work is proposed phone 709 896 1470	Work affecting or connecting to Town system (W/S)

I, state that the information contained in this application is correct to the best of my knowledge. I have included any right-of-ways or easements on the site plan from a survey of the property as well as any that I am aware of. I undertake to notify the Town and receive approval to commence any work associated with or connecting to the Town water/sewer system prior to starting excavation and also prior to backfilling. I acknowledge that no permit shall be construed as a guarantee on behalf the Council, Council's designate, or the Town of Happy Valley-Goose Bay of oversight, site inspections, or assurance of work or construction. The location of excavation will be restricted to that shown on the site plan. I agree to abide by all the terms stated here.
