### **Annual Performance Plan (A.P.P.'S) Community Priorities**

- (1) Enhance Road Safety – Improve Road Safety Through Education and Enforcement;**
- (2) Crime Reduction – Reduce Crimes against Persons/Property;**
- (3) Community Relations – Build and Maintain Positive Relations with our Community**

Happy Valley Goose Bay RCMP will begin planning for the 2022/2023 Annual Performance Plan to assign priorities and goals for Detachment members to focus their proactive duties. The progress of this plan will be monitored throughout the year with progress reported on Quarterly. We will seek input from Mayor and Council to help direct these priorities for the surrounding area.

**(1) Enhance Road Safety – Improve Road Safety Through Education and Enforcement**

Goals have been set for improved Traffic initiatives, with increased traffic enforcement and regular checkstops to help combat Impaired Driving. Members conducted Two Checkstops, utilizing Mandatory Alcohol Screening. No Impaired Drivers were located during these stops. Members continue to conduct proactive vehicle stops for traffic safety issuing SOTs under the Highway Traffic Act when/where applicable.

The ADSE is a new device and we continue to provide the required training to Detachment Members to utilize it. This roadside device will allow officers to test subjects who may also be impaired by drug to further pursue charges in these instances

**(2) Crime Reduction – Reduce Crimes against Persons/Property**

Goals have been set for proactive initiatives to help reduce crimes against persons and property. Detachment members implemented additional measures to monitor persons bound by court orders to ensure compliance. Members continue to conduct routine compliance checks ensuring persons are abiding. Due to the increase in crimes through social media/computers, members will be seeking opportunities to educate persons on crimes related to Fraud and Cybercrime.

**(3) Community Relations – Build and Maintain Positive Relations with our Community**

Detachment Commander will ensure there is regular contact and communication with Mayor and Council to ensure any issues are brought forward and plans made to address. Detachment Commander will also ensure regular contact is maintained with the HVGB C/Cst. Detachment members continue to try and increase contact with the local youth with regular contact/visits made to local schools. School Liaisons have been appointed to maintain contact with Local Schools.

**\*\*\*\*The APP is the main objective, outside of responding to calls for service, of the Detachment and helps direct members efforts each and every day.\*\*\*\***
