2. DELEGATIONS

- a. Hollis Yetman & Tony Chubbs-Labrador Hunting & Fishing Association-The LHFA spoke to Council regarding an application for exemption of taxes at their presentation to the FAP committee in June and that they have not received a response from the Town. Councillor Rumbolt said Council has to view this as a budget item as it affects revenue. She said Council is working on creating a policy for Not for Profits that is in the best interest of all NFP groups. Council is working to create a policy that involves less paperwork and they feel the current policy is not efficient. The LHFA said they, as well as most NFP's are made up mostly of volunteers and things such as the Amaruk, Birch Brook and the Boardwalk would not exist otherwise. He referred to the LHFA Shooting Range

and said the Range services many organizations, such as the RCMP, Department of Wildlife, etc. however it does not generate much revenue and they cannot increase fees to cover taxes. He said they have operated for 12 years without a tax bill and were only issued a tax bill after they got a permit to put in two outhouses at the Range. Mayor Andrews said each NFP group is unique and Council is trying to come up with a policy that works for everyone and in line with Council and legislative perspective. He said it is a topic for budget consideration and they are hoping to simplify the policy so that it is similar to the low income relief application.
